

**It's amazing what sport can bring to the lives of people with a disability.**

**Since 1963, Wheelchair Sports Victoria** has been giving children and adults with a disability a better quality of life by providing them opportunities to participate in sport.

Our education programs raise community awareness about spinal cord injury prevention and provide an insight into wheelchair sport and living with a disability.

Your bequest to Wheelchair Sports Victoria means more than basketball hoops and tennis racquets.

Friendships are made.

Obstacles are overcome.

**Hope is restored.**
