

2010 Active Masters Program

Background Information

Wheelchair Sports Victoria is introducing an Active Masters program in 2010 aimed at people with disabilities aged 40 and over to become actively involved across a range of sport & recreation activities.

A total of four activities have been incorporated as part of the program and we encourage all members to participate as this provides a great opportunity to socialise with others.

Event Dates:

March 3 - Bowls and BBQ day

May 21 - Night at the races

August 7 - Trivia Night

October 29 - 31 - Fishing weekend

** Dates subject to change*
